Good morning. Making sure you saw my email below.

On another item – are you waiting on me for something related to the Tom Vitaglione request?

I assume you worked from home yesterday. Great if you can let Eliza and me know when plans change so we know how best to catch you if someone is asking.

Can you please put together an updated list of all ACP contacts that you're aware of with our office (pro and con) – by Fri? Happy to discuss.
